INTRODUCTION

This list includes the principal files in the Johnson Library that contain material relating to Anti-War Activities. The guide includes those collections which have been opened for research in part or in whole, and those collections which are currently unprocessed or unavailable. Researchers also might want to consult the guides *Vietnam, the Media and Public Support for the War, Civil and Racial Disturbances* and *F.B.I., J. Edgar Hoover, Surveillance and Privacy (incl. Polygraph and Wiretapping)*.
