## MATERIAL AT THE JOHNSON LIBRARY PERTAINING TO **INTERNATIONAL EDUCATION** (including the 1965 Task Force on International Education)

### INTRODUCTION

This list includes the principal files in the Johnson Library that contain material relating to international education. It is not definitive, however, and researchers should consult with the Library's archivists about other potentially useful files. The guide includes those collections which have been opened for research in part or in whole, and those collections which are currently unprocessed or unavailable.

### WHITE HOUSE CENTRAL FILES (WHCF)

This permanent White House office was the main filing unit during the Johnson presidency, though not the primary file for foreign policy documents. Material was filed under 60 major subject headings, several of which are pertinent to international education.

### OFFICE FILES OF THE WHITE HOUSE AIDES

Many White House aides maintained office files of their own, separate physically from the rest of the White House Central Files. The files of each aide reflect his or her responsibilities. This list is not definitive, but it does include most pertinent folders in the aides files. An asterisk (\*) indicates that a folder has been processed and is available for research. If a folder is not open for research, it will be processed upon request. Researchers should anticipate a delay in receiving this material.

### **ORAL HISTORIES**

Transcripts of oral history interviews may be consulted at the Library or borrowed through interlibrary loan by writing to the Interlibrary Loan Archivist, Lyndon B. Johnson Library, 2313 Red River Street, Austin, Texas, 78705. Interviews with the following people contain material on international education and are open for research. Interviews marked (wp) require written permission. Contact the Interlibrary Loan Archivist regarding the procedure. A complete list of oral histories is available and is maintained in a card file in the Reading Room.
